

# THE CATHOLIC COMMUNITY OF SAINT OSCAR ROMERO

November 1, 2018

To Whom It May Concern:

The Heart of Mary ministry was formed in 2009 during my term as pastor at Saint Peter and Saint Paul in Alta Loma. It is a wonderful opportunity for women to come together for fellowship through love for our Lord and Mary. It is a powerful experience for participants and the church at large. My involvement with this ministry was so positive that I invited them to establish a women's group at my current parish. I highly recommend the Heart of Mary to all parishes.

Please feel free to contact me if you have any further questions.

With every best wish, I am

Prayerfully,

Father Patrick V. Kirsch KHS
